Description

### PRODUCT DESCRIPTION

Protects against mess, dirt, spillages and staining, etc. whilst painting and decorating, plastering, tiling and general building and maintenance projects.

Ideal for covering glass/windows when painting window frames and sills.

- Protects against costly damage to most surfaces.
- Easy application, simply unwind and cover-it.
- Waterproof – good against paint and liquid spillages.
- Safer to use than loose dust sheets and covers as it adheres to the surface.
- Quick removal.
- Heavy duty.
- Can be left down for up to 4 weeks.

- In areas of heavy traffic, e.g. doorways, repeat application may be required. Cover-It can be applied over itself provided the surface is free from dust, moisture and grease.

## **APPLICATION**

Easy to apply simply roll onto the floor or surface being protected and adhere it firmly to the material to be covered.

To remove:- the low tack adhesive will allow for easy removal.

Lift each edge in turn and pull back ensuring any spills are covered and cannot escape before lifting the whole sheet.
